**Re: Town Hall Chimney Repair**

Dear Luisa:

I would like to take this opportunity to thank you and your employees for doing such a fine job on restoring our chimney. The attention that was given to this project and the suggestions that were made regarding the repair of the chimney are truly a testament to the integrity of your family's business. As with many tasks of this nature, it is sometimes difficult to envision all of the necessary components of the work. Your crew, in my opinion, went above and beyond of what the scope of work had outlined and corrected what could have been a potential problem in the future, at no additional cost to the Town.

Again, I thank you and your staff for a job well done.

Sincerely,

Scott C. Lappen  
Director of Public Works
