Dear St. Mary's Friend,

Thank you for your kindness to me. I am in the sixth grade at Holy Family-Holy Name School in New Bedford. HFHN is special to me because it gives you the tools and knowledge you need to succeed in life.

Sixth grade is so much fun! My favorite subjects would probably be social studies and science. We learn a lot of interesting facts and have fun projects to do. Sometimes our teacher lets us do group work.

This year I joined the Art Club where we draw, sketch and paint. I enjoy relaxing after school with my friends.

Again, I thank you for your amazing kindness!

Sincerely,

Emma
