Dublin, VA

To Whom It May Concern:

We are pleased to share with you our experience as surety for Service Contracting of VA, Inc. We consider Service Contracting of VA, Inc. one of our outstanding and most valued clients in whom we have the highest confidence. Through the years this company has, in our opinion, remained properly financed, well equipped and capably managed.

Be advised that as of this writing, Service Contracting of VA, Inc. maintains a single project bonding limit of \$5,000,000 with an aggregate capacity of \$10,000,000. The company's rate for bonding starts at approximately 1.3%. The rate percentage decreases as the project size increases.

If Service Contracting of VA, Inc. is awarded a contract and requests that we provide the necessary performance and/or payment bonds for the referenced project, we will be prepared to execute the bonds subject to the surety's acceptable review of the contract terms and conditions, bond forms, appropriate contract funding and any other underwriting considerations at the time of the request.

We assume no liability if for any reason we do not execute such bonds. North American Specialty Insurance Company is listed on the U. S. Treasury Department's listing of Approved Sureties (2007 Department Circular 570), and is rated "A+ " by A. M. Best Company.

Sincerely,

Christopher Brandon Pulliam
