Dear Paul Cacicedo, Jr:

However, the firm's updated construction references are under review by our Engineering Department. If as a result, there are changes to **Consolidated Steel & Aluminum Fence Co., Inc.**'s qualification status, you will be notified under a separate letter.

Please be advised that we periodically review all certifications and reserve the right to decertify any firm that no longer meets our guidelines. You must notify the Office of Diversity, Equity and Inclusion in writing within 30 days of any significant changes to your business. These include, but are not limited to, a change of officers, directors, location, and business name. Failure to advise us of these changes can result in decertification of your business.

This certification will remain in effect for five years or until July 7, 2028, after which you must submit a new MBE recertification application with supporting documentation. The application can be accessed from our website: [www.panynjSD.com](http://www.panynjSD.com).
