

Presented by American Ref-Fuel Company and the Port Authority of New York and New Jersey in appreciation of the outstanding efforts of all those companies that took part between 1988 and 1990 in construction of the Essex County Resource Recovery Facility, including the many minority-owned firms whose contributions represented the largest Minority Business Enterprise Program ever carried out in conjunction with a heavy construction project in the State of New Jersey.

**THE PORT AUTHORITY  
OF NY & NJ**
