Dear Eddie,

RC Demolition put together a great team for the demo at the J.M.Smuckers job in Suffolk, VA. It was an enjoyable experience planning the task in advance with your team before the job started.

During the demolition, everyone worked and communicated very well. I'd like to extend a special thanks to Bubba and the crew. Their communication, safety, and housekeeping throughout the day were spot-on. Not only was the job left clean each day, everyone went home safe.

Bubba and team even completed the demo a day early. This was an outstanding accomplishment considering the amount of work your team was handling.

We look forward to working with RC Demolition on the next phase of this project and again in the future. Thank you for all of your hard work.

Sincerely,

David H.Nuttall  
Superintendent
