

5/23/18

I've been in the construction business for over 45 years and worked with contractors all over Texas. Ella is in the top tier of these contractors. Ella has demonstrated to me they are a reliable and reputable company with strong leadership. Ella delivers a quality product in the field while maintaining safe conditions. Of the numerous projects Ella has completed for Middleman Construction Company through the years, they have always delivered on time. I would highly recommend Ella for my next utility project.
