On behalf of Rogers O'Brien Construction it is my pleasure to provide this letter of reference for Ella S.A. Contracting, LP.

Ella S.A. Contracting, LP was highly involved in the CyrusOne projects at Buildings 2 and 3. Meeting regularly with our team long before we began excavation and utility work, Ella's team was instrumental in assisting our team with overcoming logistical challenges and changing job conditions. Working around the clock, the entire team remained fully committed to planning, coordination and teamwork which led to an incident and injury free, successful project.

Despite the numerous challenges, their accuracy, commitment to planning, execution and regular follow up clearly demonstrates the commitment to quality RO desires. Very seldom do we have the opportunity to hand pick the best of the best, but when we do we chose Ella S.A. Contracting, LP.

I know I can count on Ella in a time of need. If I can answer any additional questions, please do not hesitate to contact me.

Respectfully submitted,

John Archer
