RE: Letter of Reference for D'Novo Services, LLC

To Whom It May Concern:

CORE Engineering & Construction, Inc. has had several opportunities over the last three years to work with D'Novo Services, LLC. During that time, they have displayed a high degree of professional and fiscal responsibility and reliability, and have been very pleasant to work with. CORE would recommend D'Novo to our clients for electrical services and look forward to continuing to work with them ourselves.

Please don't hesitate to contact us with questions or comments regarding this Letter of Reference. Thank you very much.

Sincerely,

A handwritten signature in cursive script, appearing to read "Louis Hambro", is written in dark ink.

Louis Hambro
Director of Construction
