Dear Nick:

On behalf of all of us here at All Saints' Church I want to thank you and Scozzari Builders for your excellent work in constructing our new chancel and choir space. Countless parishioners and visitors have told us how beautiful the addition is, both inside and out. We believe we now have one of the most visually outstanding sanctuaries in Princeton and in our diocese. Your high standards of quality and attention to detail have made all the difference.

Thank you so much for a job well done.

Sincerely,
