

GROUND BREAKING  
CONSTRUCTION

June 20, 2013

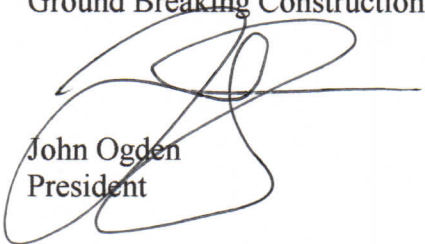

To Whom It May Concern:

Please let this letter serve as our recommendation for Campolong Enterprises, Inc. dba DH Striping Company.

I have been dealing with DH Striping Company for over 10 years. They have proven over that time period to be a reliable and responsible contractor. We have used them for multiple projects that have included asphalt maintenance, seal coating, pavement markings, hydro blasting removal and signage installation.

If you have any further questions I can be reached at 407-416-5317.

Respectfully submitted,  
Ground Breaking Construction, LLC
