Subject: Vinciguerra 17013121

Good Morning,

I received a call this morning from Ms. Vinciguerra wanted me to let you know how very pleased she was with the gentlemen that came out today, I believe she said his name was John, but can't be 100% sure. She said he was extremely professional, excellent plumber and a true asset to your company.

Thank you for jumping in on short notice.

Dave Kelly
