Best Doors/Gates

Colletti Design

Colletti Design's artists create more than doors and gates — per its M.O., Colletti makes “functional metal art.” From modern takes on clean, classic looks like the image above to the spires and spirals of a home-turned-Tuscan, Colletti's iron work gives a strength and grace to its final outcomes and is hands down the best place to make an entry in the Valley.

Best Wallcoverings

Reeves PaperHanging

This family wallcovering business, now in its third generation, came out of a one-man painting company in Louisiana. Now, Dale Reeves and his company transform the walls of homes and commercial buildings into gorgeous 2D escapes with just the use of clever wallcovering installations.

Best Windows

Pella Windows and Doors

What's the point of having that gorgeous view of Camelback Mountain if your windows can't do it justice? Pella, a company started in 1925 by Dutch business owners in Iowa, has years of experience and continues to pride itself on its American values and its role as an industry leader.
