Re: Prequalification Approval  
Federal Tax ID# 11-3140842

Dear Mr. McLoughlin:

Based upon the information furnished on your Prequalification Application, the New York City School Construction Authority (SCA) has requalified your firm to submit bids/proposals for SCA projects for a period of three years until **December 31, 2016** for the following trade: **Concrete-Reinforcement (03200)**.

However, prior to performing work for a specific SCA contract, the SCA must first approve your firm in writing. Although requalified with the SCA, your firm will be subject to a full responsibility determination at the time of consideration for any specific contract award.

The NYCSCA and the Building and Construction Trades Council (BCTC), its member unions and the Bricklayers/Allied Craft Workers, Local Union 1 have entered into a Project Labor Agreement (PLA) that governs projects under the SCA's Capital and Restructuring Programs. The PLA requires that all contractors performing such work use labor from the participating BCTC trades. As a condition of contract award, each successful bidder and its respective subcontractors must agree to become signatories to the PLA, and as such, participate in the apprenticeship programs of all trades needed for the Project.

In the case of non-PLA projects (including capacity, and lease projects), the SCA will continue to verify prior to contract award a firm's participation in a New York State Department of Labor approved apprenticeship program. For further information regarding the PLA and prevailing wage requirements visit the SCA's website at [www.nycsca.org](http://www.nycsca.org).

The NYCSCA requires compliance with Article 8 of the NYS Labor Law; therefore, all firms must comply with the prevailing wage schedules for each trade. For further information regarding the PLA and prevailing wage requirements visit the SCA's website at [www.nycsca.org](http://www.nycsca.org).

Furthermore, we remind you that your firm's status as a "Requalified firm" is always subject to review. You must submit in writing to the NYCSCA any substantive changes to your prequalification application as soon as possible, but no later than (30) days of said change(s). Substantive changes include, but not limited to, key people, ownership, court proceedings, investigations, bankruptcies, etc.

If you have questions regarding your status, please call the Contractor Qualification Unit at (718) 472-8777.

Very truly yours,

  
Sarah L. Sinclair
