**Re: Reference Letter
Silver Lake Contracting Corp.**

To whom it may concern:

I have worked with Silver Lake Contracting Corp. since 2005, during which time they have provided our commercial office park with excellent and reliable service. Over these past ten (10) years, we have contracted Silver Lake to perform the landscaping and snow removal services at the property. Additionally, the company has completed several large scale capital improvement projects to enhance the property's grounds, and several major excavation projects as well.

The quality of workmanship Silver Lake brings to each project is first-rate. The company's members always perform with highest level of professionalism, honesty, and integrity. Further, it is their years of experience in the industry, knowledge of their craft, and hard work ethic that sets them apart from their competition.

With confidence I recommend Silver Lake Contracting Corporation. Please feel free to contact me if I can be of any further assistance.

Sincerely,
