September 24, 2013

Mr. James A. DeAngelis
Soiltesting Inc.
90 Donovan Road
Oxford, CT 06478

Dear Mr. DeAngelis:

We are pleased to provide you a surety bond line in the amount of \$500,000.00 single and \$1,000,000.00 aggregate. In addition, we are always open to discussing individual single bonds greater than your established limits if the opportunity arises. We have established this line based on your current financial position and the underwriting information presented to us in your application. I am sure you understand that if there is a change in your financial position or the underwriting conditions change, we may raise, lower or discontinue your line.

At this time, you may send your bond requests via fax or mail. Bid Bond and Contract Bond request forms are enclosed for your use. Our fax number is (866) 449-8004.

Your Bond Administrative Representative is Lisa Schoenfeld. She will be your immediate contact and will be calling you or your designated representative to answer any questions that you may have. Our Underwriting Vice President, Tony Cimasko, is available to meet or speak with you to discuss any of your special requests.

If you have any questions please call Lisa Schoenfeld, your bond administrator at (800) 221-3662.

We appreciate your business and are looking forward to servicing your account.

Sincerely,

Wayne Nunziata
President
