Bay Fire Protection Incorporated
Gerald VanWormer
5913 North Huron Road
Pinconning, MI 48650

Dear Gerald:

The fire suppression additions to our Facility have been progressing nicely. I wanted to let you know how satisfied we have been with the work provided by your company.

The crew has been very professional and respectful towards residents and staff. They have used safety precautions and have kept the dust to a minimum. It has been very beneficial to have good communication throughout the project.

I would highly recommend your company to others who are installing or upgrading fire suppression systems.

Sincerely,

A handwritten signature in black ink that reads "Brenda Burzynski". The signature is fluid and cursive, with a large loop at the end.
