

## Recommendation Letter

12/22/21

To Whom This May Concern:

Over the years we have used several glazing companies. Since we've used Medina Services, we find that we can rely on them to not only meet their deadlines but adapt to different situations to make our clients happy. We will continue to use them and do not plan on finding anyone else. Most of our projects consist of large hotels which present numerous challenges and with every possible problem that arises, Medina Services, Inc. always finds solutions that not only exceeds our clients' desires but keeps the projects moving forward. Their dedication and professionalism are only a few reasons as to why we continue to use them but why we highly recommend using them for all of your glazing needs.

Sincerely,

A handwritten signature in blue ink, appearing to read "T. Phillips", is written over a horizontal line.
