

Subject: Border Patrol/SBI net project

Bob,

I just wanted to thank you, Brad Bryant and Greg Gomez for your outstanding effort in helping us completing this project. You and your crew went above and beyond to complete your scope of work within the short time that was given to you. You and your crew also displayed excellent attitude, knowledge and professionalism.

Thank you once again and I look forward to working with Native Tele-Data Solutions in the future.

Sincerely,

Jason Cagle
Project Superintendent
