To Whom it May Concern:

Legal Services Associates, Inc., LSA, has been the Primary Contractor for unarmed security guard staffing for United Management Services since 2004. In that time LSA has provided A+ service with matched integrity. It has been easy to do business with LSA. They have been approachable, accommodating, and very understanding of our organizational needs.

LSA provides one (1) guard daily totaling approximately 2600 guard hours per year. The yearly contract award is approximately \$41,300.00 per year.

It is our intention to continue our relationship with LSA in future. Their demonstrated professionalism and dedication to duty gives me no pause in giving them my strongest recommendation for security guard staffing services whether the tasking is large or small.

Sincerely,
