To whom it may concern:

Legal Services Associates, Inc.

This correspondence confirms that the Maryland Stadium Authority (herein after MSA) has engaged the services of Legal Services Associates, Inc. (herein after LSA) since February 1, 2009. During this time LSA has provided excellent security services in the areas of overall complex security for the Camden Yards Sports Complex, event security for major league baseball and NFL sporting events. I find their security professionals to be dependable and well trained. As a result of the company's experienced leadership they are able to effectively adapt to our changeable security needs. Their efforts have contributed greatly to the effective security posture of the MSA, helping it to become one of the most accomplished in the country.

I can confidently recommend Legal Services Associates, Inc. as a solid and reliable supplier of security services, and experts in their field.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Sincerely,

Gregory H. Cook
