Maryland Stadium Authority
333 West Camden Street, Suite 500
Baltimore, Maryland 21201

Securityplus Federal Credit Union has employed Legal Services Associates Inc., LSA, in the roles of armed security guard coverage for branches, ATM deliveries, ATM escorts, opening and closing of branches, and the fingerprinting of tellers and supervisory personnel since 2002. LSA has consistently met or exceeded our expectations. They are a proficient and practiced organization. Concerns are addressed promptly and with a very high level of professionalism.

In the past LSA has provided full coverage of all of our public branches and escort services for ATM's. During that time period LSA provided four (4) guards averaging approximately 5,560 guard hours per year worth \$133,500.00 annually.

Due to budgetary constraints and low security risk they now provide opening/closing services for two (2) of our public locations. Due to the diligence with which LSA performs its duties, LSA has been awarded to provide full time guard services for our newest location which will open in November of 2013.

Currently LSA provides two guards per week averaging approximately 2548 yearly contracted hours, worth \$61,000 per year.

Legal services Associates, Inc. has proven to be an asset to our organization. I have no reservations about giving my highest recommendation for their security guard staffing services.

Sincerely,

Mindy Whitt
