ACSTAR Insurance Company, through MJ Insurance, is the surety company for ShepCo Comercial Finishes, Inc ("ShepCo"). They are A, VI rated by A.M. Best. We are confident you will be satisfied with ShepCo in every phase of execution of their work. Please be aware that Shepco, Inc. has been a client of MJ Insurance since 2009 and has successfully completed all of their contracts.

ShepCo has the capacity to bond work up to \$400,000 with an overall aggregate limit of \$1,000,000. While our surety commitment is contingent upon the financial wherewithal of ShepCo at the time of the bond request and contract provisions that are acceptable to both ShepCo and ACSTAR Insurance Company, we recommend this highly qualified contractor.

If we can be of service or should you have any questions, feel free to contact us.

Best regards,

MJ INSURANCE, INC.
