Dear Mr. Blum:

We are pleased to inform you that your firm's application for certification as a Local Disadvantaged Business Enterprise (LDBE) with the Metropolitan Washington Airports Authority (Authority) has been approved. Your company's certification number is shown above. Please note that this certification is only for business activities covered under the following North American Industry Classification System (NAICS) code(s):

NAICS	Goods/Services

This certification will expire on the date noted above. Please apply for recertification 60 days before the expiration date to avoid loss of the certification. Any material change that may affect LDBE eligibility such as a change in your firm's ownership or control must be reported to this office immediately.

If you wish to expand or change your firm's LDBE certification to include NAICS codes not listed above, you must send a written request to this office. A firm can be certified for up to five codes. You may be asked to provide additional information concerning your firm's qualifications to perform work in the areas covered by the requested NAICS codes.
