*ATTN: Dennis Chartnand  
Project Manager*

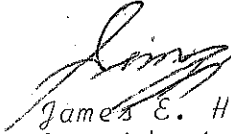

*Dear Dennis:*

*Enclosed is our check for thirty-one thousand,  
three hundred and sixty-nine dollars (\$31,369.00).  
It is not very often that I draft a check for  
that amount and experience a feeling of  
satisfaction - - this is the exception - -.*

*I want to compliment everyone in your organization,  
including the installers for a job well done. The  
Aura of professionalism and customer satisfaction  
was pervasive throughout the metal siding  
construction.*

*Please convey my appreciation to all concerned  
and do not hesitate to take the liberty of using  
us as a reference.*

*Sincerely,*
