To Whom It May Concern:

Re: MILLENNIUM FIRE PROTECTION CORPORATION – Letter of Bondability

We are writing you at the request of our client, Millennium Fire Protection Corporation. We understand that our client is desirous of pursuing opportunities to perform work with you.

Millennium Fire Protection Corporation currently enjoys a favorable bonding relationship established in 2017 with Everest Reinsurance Company, a Treasury-listed and Best "A+" 15 rated insurance company. Currently, we are in a position to entertain single bond requests of \$7 Million and an aggregate program of roughly \$15 Million. This should not be considered a strict limitation on levels of support for this company but, rather, a facility to meet their day to day bonding needs. Currently, roughly \$10 Million is available in capacity for this company.

Should contract(s) for work be awarded by you to Millennium Fire Protection Corporation, please be advised that we would welcome the opportunity to provide any performance and labor and material bonds as may be required by the contract. This is contingent upon our satisfaction with the contract documents and the principal continuing to satisfy other underwriting considerations in the normal course of business. You understand, of course, that any arrangement for the final bond(s) is a matter between Millennium Fire Protection Corporation and their surety, and we assume no liability to third parties, or to you, if for any reasons we do not execute said bond(s).

We look forward to any opportunity to provide bonds for this fine account. We have always found them to be a premiere account in every way, having fielded no claims or negative actions of any kind during our long relationship (since 2008 through my agency). Feel free to contact me if you have any further questions.

Sincerely,

Anne Wright
