I am writing this letter as a recommendation of David Beale. I have worked with him for years on multiple construction projects. He is extremely knowledgeable and has hands on experience. He has always been extremely truthful and straight forward. All his dealings maintain a high level of integrity and honesty. He maintains high standards and impeccable quality control. He is an asset to all projects and a great contributor to the industry at large. David Beale sets the example of what a paving contractor should be. Should you have any further questions as to this recommendation, please call me at 561-358-4133. Thank you.

Sincerely,
