To Whom It May Concern,

Chandler Construction Company has in the past and currently working with Sunshine Services Unlimited for our asphalt and curbing needs. We highly encourage anyone to seek them out for asphalt paving, milling and resurfacing, site work, sealcoating or curb work.

Sunshine Services has responded quickly to our needs with proposals, recommendations and starting the project in a timely manner. From start to finish they diligently stay on schedule and budget. Their performance is quality work with skilled employees.

Looking forward to having many more projects with Sunshine Services Unlimited.

Sincerely,
