Re: Commercial Roofing Contractor: Letter of Recommendation

To whom it may concern,

I am pleased to have this opportunity to recommend ProMac Roofing Contractors for any roofing need you may have. Over the years, I have relied on ProMac Roofing and they have never failed to deliver prompt quality service. In the Healthcare business, timing and quality of service is essential and ProMac delivers. Phasing their work so as not to disrupt the delivery of patient care, staging material delivery in order to eliminate parking issues. All just a few of the considerations you can expect. ProMac is the one roofing contractor that will deliver a quality product and stand behind it.

Respectfully,

Richard Langenbacher
