Dear A.J.,

I would like to take this time to thank you and The Blue Book. Not only has it opened doors with many new General Contractors both in Minnesota and from out of state, The Blue Book has also made it easier for our current customers to notify us of their jobs. We can quickly review and track jobs and also notify our customers if we are going to be bidding on them.

The Blue Book is a product that is worth every dollar you spend on it. When times are tough it is nice to have a winner on our team.

Thank You,

Thomas J Lerick
