The Blue Book Network
Attn: Bria Kirkpatrick

C&C HVAC has been a member of the Blue Book since 2010 and finding projects to bid and getting connected to general contractors is fast and easy. We've won a number of projects over the years and have had particularly good luck with out of state GCs that we otherwise would not have known. BB Bid is easy to use and being able to view plans on-line and send to be printed very convenient.

We look forward to our continued relationship with the Blue Book!

Sincerely,

Carmine Ribaudo
