

Steve,

Would like to let you know your guys have completed all expected work regarding the Analog Phone Project. All work was completed well and within the strict guidelines of our facility(Which is not easy I know). The classiness your guys showed in different situations was well appreciated and I do thank them for their patience understanding while in the building. Hopefully there's more Work/Projects we can sit down over in the future. If you need anything or have any questions let me know. Thanks and take care until next time!

Regards,

Reginald J. Richardson
