RE: 1 Priority Environmental Services, Inc.

To Whom It May Concern:

It has been a privilege for IBTX Risk Services to be the surety agent for 1 Priority Environmental Services, Inc. for many years.

Their current surety company has been Hanover Insurance Company since June 2015. Hanover Insurance Company is listed on the U.S. Treasury Department's Listing of Certified Sureties [Department circular 570] and is rated A XV by A.M. Best Company.

Hanover Insurance Company has provided a \$ 5,000,000 single project/ \$20,000,000 aggregate surety program for 1 Priority Environmental Services, Inc. Of course, higher limits could be considered. As always, Hanover Insurance Company reserves the right to perform underwriting at the time of any bond request including, without limitations, prior review and approval of relevant contract documents, bond forms and project financing.

Any arrangement for bonds required by the contract is a matter between 1 Priority Environmental Services, Inc. and Hanover Insurance Company. We assume no liability to you or third parties if for any reason we cannot execute these bonds. In our opinion, 1 Priority Environmental Services, Inc. remains properly financed, well-equipped and capably-managed.

We highly recommend this client in all regards.

Sincerely,

A handwritten signature in blue ink that reads 'Betty J. Reeh'.
