Location: City of Doral, Florida

Re; Reference

To Whom it may concern:

This letter is a reference to Drywall Contractors, Corp. Drywall Contractors has been performing building services for Moss & Associates on various projects for several years. Most currently, Drywall Contractors has completed the construction of 5252 Paseo (203 Units) and is currently performing services on 5300 Paseo Condominium (219 Units), in Downtown Doral. The project consists of (2) 20 story buildings with a gym, massage rooms, special amenities, lavish common areas, and a main lobby in each tower.

Drywall Contractors has met every challenge on these demanding towers to deliver a high quality product. Drywall Contractors has been responsive to all of Moss' demands, and are a pleasure to work with.

Moss' experience with Drywall Contractors on every project has been a success and we look forward to continue our working relationship for years to come.

Sincerely,

Ed Baro
