To Whom It May Concern:

Drywall Contractors Corp. has performed building services for Moss & Associates on a variety of projects totaling more than \$15M over the past five years. They have been trusted with many responsibilities and always completed their scope of work on time and within budget.

A few of the projects completed include the construction of 5252 and 5300 Paseo Condominium, in Downtown Doral, San Lorenzo Condominium Remediation (82 Apartments), and Kanuf Chinese Drywall Remediation (over 100 homes completed). Drywall Contractors met every challenge on these demanding jobs to deliver a high quality product and were always responsible and responsive to the contractor's demands.

I would without reservation recommend Drywall Contractors for any of your future projects.

Sincerely,

Joseph L. Harris
