

Danny,

I would like to take a moment and thank you and your team for working with us and making this difficult time in our lives smooth and easy.

You were extremely responsive to our concerns and addressed them in a timely fashion. Your teams craftsmanship was exemplary.

Overall, the experience with Drywall Contractors and Moss was a pleasant one.

I would not hesitate in recommending your firm to any of my friends or relatives in the future.

Thank you very much.

The Leal Family
