Re: Bonding Capacity

To Whom It May Concern:

International Fidelity Insurance Company represents S&S Roofing, Inc. for their surety bonding needs. At the present time, International Fidelity Insurance Company is in a position to provide a bonding line in the amount of \$5,000,000.00 single project with a \$10,000,000.00 aggregate limit.

Please understand this is neither a commitment nor a limitation on the bond capacity of S&S Roofing, Inc. but should be viewed rather as a general guideline. Should S&S Roofing, Inc. be awarded a contract, we will look upon their request for final bonds favorably. As always, we reserve the right to perform normal underwriting at the time of the final bond request, to include, but not limited to the acceptability of the project contract documents, bond forms and financing.

If you have questions or need any additional information, please do not hesitate to contact me.

Sincerely,

Lisa F. McIlvaine, Attorney-In-Fact
