To whom it may concern:

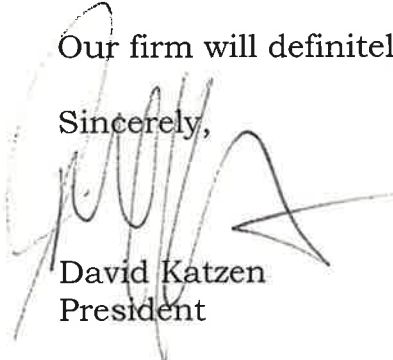

I hired Mr. Buscemi of Carlo Buscemi Imagery to provide construction photography services on a project I was in charge of.

Mr. Buscemi's photography and videography skills were excellent and met my firm's needs. With respect to his work, my firm is satisfied with the high quality of the video and photographs of Mr. Buscemi and his firm.

My client also had a tight schedule, and each time Mr. Buscemi went out of his way to meet our demanding schedule. Every day he arrived on time. Mr. Buscemi provided great results, he worked well with us, was an expert, had great value and excellent integrity.

Our firm will definitely use his firm again on future projects.

Sincerely,

David Katzen
