

"Buffalo's Mechanical Inc. has been one of our "go to" contractors for several years. We count on Buffalo's to provide with competitive market pricing while providing the customer service that we need to keep our schedules in order. Getting things right the first time is important in our fast paced build outs. Buffalo's fills the bill in this regard a passing inspections the first time is the norm. If you are looking for an experienced contractor who understands the game do yourself a favor and give Buffalo's Mechanical a call."
