To Whom It May Concern:

I would like to offer you this letter of highest recommendation for the services of Dave Sharp and Display Manufacturing.

Having completed multiple dental projects over the years, I must say that I am highly impressed with the cabinetry and associated finishes. Having completed the project and seeing how the results turned out, I am extremely satisfied and regret they were not involved with all of my projects.

For a fair fee, you will receive a project, designed, planned, and finished to the highest quality your budget allows. They will work in conjunction with your general contractor to give you the "look" and "feel" of the type of office you desire which falls within your overall budget.

Almost daily, we receive compliments on how beautiful our office looks and feels.

I give my unhesitating highest recommendation of Dave Sharp and Display Manufacturing and will certainly utilize their services for any future dental projects.

Please contact me at (425)742-8828 should you have any question.

Sincerely,

A handwritten signature in black ink that reads 'Ekapoj Thongin' followed by a stylized 'D'.
