FEBRUARY 2015

Donald Guthrie  
Wayne's Roofing, Inc.  
13105 Houston Road  
Sumner, WA 98390

Dear Donald:

The annual Firestone Building Products Master Contractor Award recognizes leading Firestone Building Products Red Shield™ Licensed Roofing Contractors who demonstrate roofing system installation excellence. Based on a series of first-class jobs completed in 2014, Firestone Building Products has presented Wayne's Roofing, Inc. with the 2015 Master Contractor Award.

This is the 10<sup>th</sup> time Wayne's Roofing, Inc. has received the Firestone Building Products Master Contractor Award. The firm achieved this designation based on total square footage installed, quality points accrued for outstanding inspection ratings on installations covered by the Red Shield™ Warranty, and the number of Red Shield warranted completed jobs. Additionally, to qualify, Master Contractors had to earn a Preferred Quality Incidence Rating (QIR) that did not exceed three times the average QIR for Red Shield Contractors. QIR is determined by the annual number of quality incidents per million square feet of roofing under warranty.

I commend Wayne's Roofing, Inc. for its commitment to quality in 2014, and for upholding the high commercial roofing performance standards set forth by Firestone Building Products. We are pleased to recognize Wayne's Roofing, Inc. as a Master Contractor and look forward to continuing our partnership in 2015.

Sincerely,

Tim Dunn  
President, Firestone Building Products
