

Wayne's Roofing, Inc. Company Approved as Sika Sarnafil Elite Roofing Contractor

Sumner, WA – January 2015 – Sika Sarnafil has approved **Wayne's Roofing, Inc.** as an Elite level roofing contractor for installation of Sika Sarnafil roofing systems. The company is among a selected group of roofing contractors recognized for their commitment to high quality roofing installations.

Every Sika Sarnafil approved contractor goes through a rigorous training and evaluation program to assure that they meet Sika Sarnafil's high standards. In addition, each contractor is evaluated and rated annually on a variety of technical and business criteria and classified into one of three categories – Elite, Alliance and General – with Elite being the highest level of achievement.

“We are pleased to recognize Wayne's Roofing, Inc. as a Sika Sarnafil Elite Roofing contractor,” said Brian Whelan, senior vice president of Sika Sarnafil. “Elite level roofing contractors are the best in the business, having demonstrated an unparalleled commitment to quality and the roofing industry.”
