NOT TRANSFERABLE

Your business has qualified as a service only business; therefore you are receiving a business license only instead of the combined business/sales tax license. What this means to your business is that you **will not be required** to file tax return forms on a regular basis. Instead, you will file consumer use tax return forms on an as needed basis as your business consumes non-taxed items within the City. If you do make retail sales requiring the regular remittance of sales tax, please contact the City and we will make the appropriate adjustments to your account. If you have indicated to us that you prefer to have the preprinted use tax return emailed to you, there will be no tax return included with this letter.

Your license is valid until it is revoked by the taxpayer. If you have any changes to your account during 2016-2017 please contact the City as soon as possible. Important account changes include address, email address and phone number changes, account closures, and changes in contact personnel.

Business and tax information, including information on consumer use tax, is available on our website at www.cityoflonetree.com/salestax. If you have additional questions, please contact Gita Listiadji at (303) 708-1818 ext. 1281 or gita.listiadji@cityoflonetree.com.

The City is now offering an online ACH tax payment option. Please visit our website for more information or to sign up for this service.

Sincerely,

Gita Listiadji
