

To Whom It May Concern:

Re: All Ways Electric.

All Ways Electric has completed several jobs for us with much success and is currently working on several more. Our Company has enjoyed the professional relationship and the experience they bring to our projects. We continue to remain satisfied with their work product, timeliness, positive attitude, responsiveness, and attention to detail. I would not hesitate to use this firm or recommend them to any one to perform their services.

I look forward to the opportunity to work with them on future projects.

Sincerely,
Chris-Tel Construction
