To whom it may concern,

This letter is to confirm that American Overhead Door and Dock is an authorized dealer for Assa Abloy Entrance Systems/High Performance Door Solutions. They have maintained the highest level of sales and service as a Platinum dealer for many years and have earned the recognition of being our #1 dealer and service provider throughout the US. American Overhead Door and Dock sets the standard for our network of dealers and their company is the one we use to compare others too within this industry.

Best Regards,

Davey Riley
