Attn: Brandon Moss

Hi Brandon:

I would like to take a moment to let you know how pleased I am with the two metal buildings you have sold us over the past five years. Your company displayed professionalism on every step from design to erection of the building(s). Your crews were courteous, safe and completed both projects per my schedule. On the second Saw Building (which was destroyed by fire) your company was under an unrealistic performance timetable and *yet* you guys completed the job ahead of time. In the future when I building a metal structure you can be assured, we will do business again.

Sincerely,

L & L MANUFACTURED COMPONENTS, INC.
