To Whom It May Concern:

This is a letter of recommendation for Dennis Hals, owner of Hals Carpet & Vinyl. Mr. Hals has been a preferred vendor of Oakland Unified School District while I was a principal there for ten years. Mr. Hals did great work at the school site I led, Edna Brewer Middle School, and I recommend his services without hesitation.

Hals Carpet & Vinyl was very professional, punctual and communicative. Mr. Hals and his employees are very knowledgeable in their trade, C-15 flooring. Hals Carpet & Vinyl met deadlines, were detail oriented and worked until the job was complete.

I would recommend Hals Carpet & Vinyl to anyone who is in need of a true flooring professional.

Warm Regards,

Sam Pasarow
