

To Whom It May Concern:

Please allow this letter to serve as reference for Safe Tech USA, Ltd. Safe Tech has serviced The Holliswood Hospital for more than seven years offering impeccable maintenance of the Fire Alarm and CCTV systems.

Their prompt response to emergency calls and professionalism has always been consistent. I would recommend Safe Tech USA for any facility and I'm sure you would be equally happy with their services.

The Holliswood Hospital is a 125-bed psychiatric facility located in Queens, NY. It is a secure facility offering extremely challenging working conditions. The Safe Tech technician's have never given me reason for concern while working in a secure environment.

If you have any questions concerning their service, I would be happy to make myself available to you.
