Subcontractor Registration Renewal Confirmation

Dear Business Representative:

Your application for Subcontractor Registration Renewal has been processed. Please remember that your subcontractor registration number must appear on any job site subject to a dust control permit and be readily accessible on-site while you are conducting any dust generating operations. Your registration number must be legible and visible from a distance.

Acceptable locations to display the number includes: posted in a window, hung from a rear view mirror, applied as painted lettering or a magnet affixed to the vehicle or equipment. Other options are to post a banner where workers are located or listed on the job site sign.

Please consult our website for further information and program updates:
www.maricopa.gov/aq/divisions/compliance/dust/SubcontractorRegistration

Sincerely,

Dust Control Section
Maricopa County Air Quality Department
