

EMPOWERMENT ALLIANCE

OF SOUTHWEST FLORIDA

Building Better Lives Through Homeownership and Education

Immokalee • South Clewiston • Hookers Point • Harlem • Montura Ranch • Big Cypress and Immokalee Seminole Indian Reservations

January 20, 2010

To Whom It May Concern:

Gulf Coast Site, Inc. performed the site work for Phase I of the Empowerment Alliance's Esperanza Place project in Immokalee in 2009. Based on that experience, we would highly recommend Gulf Coast Site, Inc. for future work and will seek to work with them again if the opportunity arises.

Gulf Coast Site, Inc. did an excellent job of coordinating the work and the subcontractors to keep the project moving and on schedule. The staff of Gulf Coast Site was extremely responsive to questions and concerns that arose during the project and if problems arose, we were notified promptly and were given cost effective recommendations for addressing them.

We highly recommend Gulf Coast Site, Inc. for future projects. Should you have any questions about our project with them, please contact me at 239-658-3315.

Sincerely,

Dottie Cook
Executive Director
